PROPERTY FEATURES

Conveniently located in mid-town area, this 2,250 sq. ft. brick home has so much potential. It has undergone some modifications to accommodate private areas for additional family members, but it appears that it could easily be converted back to the original flowing layout of a single family home. The location is on a cul-de-sac with beautiful live oaks and other features include:

- ♦ Living Room with hardwood floors, fireplace and built-in shelving
- ♦ Separate dining room
- ♦ Large kitchen
- ♦ Family room with fireplace
- ♦ Hardwood floors, two areas carpeted
- ♦ Currently has an in-law suite with small kitchen
- ♦ Three baths
- ♦ Four bedrooms (including in-law bedroom)
- ♦ Large deck
- ♦ One-car garage
- ♦ Fenced back yard
- ♦ Central heat/air
- ♦ Bank owned property
